

## B.1.4 Cuenta con Clasificación Funcional Armonizada

The screenshot displays the Microsoft Dynamics NAV client interface. The breadcrumb navigation at the top reads: JMAS 2020 > Departamentos > Presupuesto > Presupuesto. The left-hand navigation pane shows a tree view under 'Departamentos' > 'Gestión financiera' > 'Presupuesto'. The main content area is titled 'Presupuesto' and lists various reports and analyses under three categories: 'Informes y análisis', 'Reportes auxiliares de presupuesto', and 'Reportes normativos de presupuesto'. The 'Reportes CONAC' section includes 'Estado analítico egresos', 'Saldo Contables CONAC', 'Gasto por Categoría Programática', and three reconciliation reports. The Windows taskbar at the bottom shows the date as Friday, June 3, 2022, and the time as 12:24.

This screenshot shows the same Dynamics NAV interface with the 'Editor - Saldo CONAC' dialog box open. The dialog has a 'Filtros' (Filters) section with the following options: 'Vista Análisis' (selected), 'Ramo', 'Unidad responsable', 'Unidad administrativa' (checked), 'Finalidad', 'Función', 'Sub función', 'Reasignaciones', 'Actividad institucional', 'Programa' (checked), 'Objeto del gasto', 'Tipo gasto' (checked), 'Fuente financiamiento', 'Entidad federativa', 'Clave de Cartera', 'Clasificador administrativo', 'Clasificador económico', and 'Proyecto'. The 'Momentos' (Moments) section includes 'Aprobado' (checked), 'Ampliaciones/Reducciones' (checked), 'Modificado' (checked), 'Devengado' (checked), 'Ejercido' (checked), and 'Pagado' (checked). Buttons for 'Imprimir...', 'Vista previa', and 'Cancelar' are at the bottom of the dialog. The Windows taskbar at the bottom shows the date as Friday, June 3, 2022, and the time as 12:25.
